

Cooperation protocol

Between Egyptian syndicate of journalists

And Euro – Arab dialogue Institute in Sweden

And its branch in Cairo Swedish Culture Center

The protocol aims to improve professional and cognitive qualifications for the members of the Egyptian Journalists Syndicate and create contacts between the members of Egyptian Syndicate with the members of European journalists' syndicates. The aim is to cooperate for defending each others interests on Local, European, Arab and International level. This can be done by conferences, meeting and workshops on local and International levels, and by establishing cooperation protocols between Egyptian with the European Syndicates to achieve the goals.
